Financial Assistance Programs for Welgemda

forgingbridges™ | WELGEMDA™ (ribitol) for oral solution

Financial support for Welgemda is available for all insurance types—even if you don't have insurance.*

If you have commercial insurance

Welgemda **Copay Assistance Program** may help reduce your out-of-pocket costs for Welgemda to as little as $0 per month. If you are eligible, the copay assistance will be applied automatically at the pharmacy; no additional action is required from you.

If you experience insurance delays

Welgemda **QuickStart Program** may provide a limited supply of Welgemda at no cost for a short period of time, if you are eligible.

If you experience a temporary gap in coverage or a change in insurance†

Welgemda **Bridge Program** may provide a temporary supply of Welgemda to eligible patients who experience an interruption or change of insurance, or prior authorization delay.

If you do not have health insurance or not enough coverage for Welgemda

Welgemda **Patient Assistance Program (PAP)** may provide Welgemda for free if you are eligible.‡

If you need help with other treatment-related costs for Welgemda, independent charitable foundations may offer financial assistance.§

Copay Assistance Program: Terms and Conditions

The ForgingBridges Copay Assistance Program ("Program") is for eligible patients with commercial prescription insurance for Welgemda. The Program is offered by BridgeBio Pharma, Inc. ("BridgeBio"). Welgemda is manufactured by BridgeBio or one of its affiliates. The Program is not valid for patients whose prescription claims are eligible to be reimbursed, in whole or in part, by any state or federal government program, including, but not limited to, Medicaid, Medicare, Medigap, Department of Defense (DoD), Veterans Affairs (VA), TRICARE, Puerto Rico Government Insurance, or any other federally or state funded health benefit program. Uninsured and cash-paying patients are not eligible to enroll in the Program. To participate, a patient must be a resident of the United States, Puerto Rico, or one of the U.S. Territories. With this Program, eligible patients may pay as little as $0 per month for their Welgemda, subject to maximum benefit amounts. Certain rules and restrictions apply. Benefits under this Program may not be redeemed more than once per 28 days. The Program is not available where prohibited by law or by the patient's insurance provider. This Program is not insurance. The offer to obtain benefits from the Program may not be combined with any other coupon, free trial, discount, prescription savings card, or other offer (including, without limitation, any program offered by a third-party payer or pharmacy benefit manager, or an agent of either, that adjusts patient cost-sharing obligations). The Program will not reimburse any payments made by Flexible Spending Account (FSA), Health Savings Account (HSA), Health Reimbursement Account (HRA), or any other payor, discount program, or other offer. Third-party payers, pharmacy benefit managers, or the agents of either, are prohibited from assisting patients with enrolling in the Program. Any decision to enroll in the Program must be made voluntarily by the patient. This offer is not conditioned on any past or future purchase, including product refills. Participating patients and their pharmacists may not seek reimbursement for all, or any part of the benefit received by the patient through this Program. Participating patients and their pharmacists agree to report the receipt of Program benefits to any insurer or other third party who pays for or reimburses any part of the prescription for which Program benefits are received to the extent required by such insurer or third party. BridgeBio reserves the right to revoke, rescind, or amend this offer without notice.

QuickStart Program: Terms and Conditions

The ForgingBridges QuickStart Program ("Program") is sponsored by BridgeBio Pharma, Inc. ("BridgeBio"). Welgemda is manufactured by BridgeBio or one of its affiliates. The Program provides up to 3 fills of Welgemda at no cost to eligible patients with prescription insurance coverage who are prescribed Welgemda for an FDA-approved indication, and who are pursuing insurance coverage but whose insurance coverage is delayed. Prescribers must complete the QuickStart Program prescription on the ForgingBridges Support Program start form. Patients must meet all Program eligibility requirements. Patients must be residents of the United States, Puerto Rico, or one of the U.S. Territories. The Program is not available to patients where prohibited by law or the patient's insurance provider. Patients may be asked to reverify insurance coverage status during the course of the Program. Once coverage is approved by the patient's insurance plan, the patient will no longer be eligible for the Program. The Program may not be combined with any other coupon, free trial, discount, prescription savings card, or other offer. Participating patients and their prescribers agree not to seek reimbursement for all, or any part of the free product received by the patient through this Program from health insurance or any third-party payer. Patients must not count the free product as an expense incurred for purposes of determining out-of-pocket costs for any plan, including without limitation Medicare true out-of-pocket (TrOOP) costs. The Program does not provide health insurance, and participation in the Program does not guarantee any insurance coverage. Other limitations may apply. BridgeBio reserves the right to rescind, revoke, or amend the Program and to discontinue support at any time without notice.

Patient Assistance Program: Terms and Conditions

The ForgingBridges Patient Assistance Program ("Program") is sponsored by BridgeBio Pharma, Inc. ("BridgeBio"). Welgemda is manufactured by BridgeBio or one of its affiliates. The Program provides Welgemda at no cost to eligible patients who are prescribed Welgemda for an FDA-approved indication and cannot afford their medication. Prescribers must complete the Patient Assistance Program prescription on the ForgingBridges Support Program start form. To qualify, patients must meet Program eligibility requirements, which include, but are not limited to: (1) having been prescribed Welgemda for an FDA-approved indication; (2) having no insurance or inadequate coverage for Welgemda; (3) meeting financial criteria and undergoing income evaluation; and (4) residing in the United States, Puerto Rico, or one of the U.S. territories. If you may be eligible for Medicaid, you will be required to confirm a denied Medicaid application to be evaluated for the Program. Participation in the Program beyond one year requires re-evaluation and re-enrollment. Patients may be asked to reverify insurance coverage status during the course of the Program. Participating patients and their prescribers agree not to seek reimbursement for all, or any part of the free product received by the patient through this Program.
The Program may not be combined with any other coupon, free trial, discount, prescription savings card, or other offer (including, without limitation, any program offered by a third-party payer or pharmacy benefit manager, or an agent of either). Third-party payers, pharmacy benefit managers, or the agents of either, are prohibited from assisting patients with enrolling in the Program. Any decision to enroll in the Program must be made voluntarily by the patient. Patients may not count the free product received through the Program as an expense incurred for purposes of determining out-of-pocket costs for any plan, including without limitation Medicare D true out-of-pocket (TrOOP) costs. Patients with government health insurance, including but not limited to Medicare and Medicaid, who meet the Program eligibility criteria are eligible to receive free product for the entire coverage year. For patients with Medicare Part D coverage, ForgingBridges will notify the patient's Medicare Part D plan that the patient is enrolled in the Program and will be receiving Welgemda at no cost outside of the Medicare Part D benefit. No purchase necessary. The Program does not provide health insurance and participation in the Program does not offer any guarantee of insurance coverage. Other limitations may apply. BridgeBio reserves the right to rescind, revoke, or amend the Program and to discontinue support at any time without notice.
